

An aerial photograph of a marina. A long, curved pier extends from the left side of the frame into a body of water. Along the inner curve of the pier, numerous small, white motorboats are docked in neat rows. The water is a deep blue-grey color. To the right of the pier, the water transitions into a reddish-brown area, possibly a beach or a different type of shoreline. A thin black line with a dot at the end points from the top edge of the page towards the pier area.
